

## About SAMSAT

SAMSAT, the San Antonio Museum of Science and Technology, delivers hands-on STEM experiences for K-12 students. Some experiences happen at SAMSAT, and others on the Geekbus™, our mobile STEM space. Visit [www.samsat.org](http://www.samsat.org) to learn more about SAMSAT, a 501(c)3 non-profit corporation.

## STEM Facilitator job brief

We seek a STEM Facilitator to help create and deliver STEM education programs for K-12 students.

STEM Facilitator responsibilities include designing STEM courses/sessions for K-12 students, updating curriculum, maintaining materials, and collecting feedback on each session from participating students. To be successful in this role, a STEM Facilitator should be familiar with various educational techniques for varying age groups and skill levels. In addition, this particular position requires driving the Geekbus to and from events.

## Responsibilities

- Help design STEM curriculum for K-12 students
- Assist in organizing STEM curriculum delivery at specific sites/schools
- Maintain instructional materials necessary for each STEM session
- Enrich course presentations with visual aids and hands-on activities to engage students
- Collect data from student feedback
- Research and recommend learning equipment for STEM sessions
- Calculate and report on cost for development of new STEM curriculum and updates on existing STEM curriculum
- Work with campus administration in setting schedules for delivery of STEM sessions
- Drive the Geekbus to and from events

## Experience

- Previous experience as an Educational Training Facilitator or similar role
- Knowledge of traditional and modern educational techniques
- Ability to complete full development cycle (assess needs, plan, develop, coordinate, monitor and evaluate)
- Excellent communication and organizational skills

**Job Type:** Part-time

**Salary:** \$15.00 /hour

### Work schedule:

- On non-event days, core hours are 9 am to 4 pm, to be negotiated with your supervisor.
- On event days, work may be required Monday through Friday, Saturday, during normal business hours, or early or late outside normal business hours.

**To apply:** Email your resume and a brief summary of your interest in the position to [info@samsat.org](mailto:info@samsat.org), with a subject line of "STEM Facilitator", and Attn: Jennifer Ireland, Programs Manager.
