## Seeking Experienced CFI

Bario Aviation Inc. is seeking a *full time* experienced CFI to provide knowledge, wisdom, and interesting curriculum to both new and current students pursuing their future in Aviation, whether it be Private Pilot, Instrument, Commercial, and/or Multi Engine certifications.

### **Primary Duties:**

- Perform ground sessions and flight instruction according to specific program syllabus.
- Using time wisely to educate and instruct student(s) with the desired curriculum for rating or certification they are acquiring.
- Work with Administration, Student, and Chief Flight Instructor to ensure scheduling is accurately and appropriately assigned and/or designated
- Ensure that each session is appropriately invoiced at the end of each instruction period.
- Be sure all HOBBS and TACH time are documented accurately before and after each training session, if flight instruction is being performed

### **Safety / Accountability Requirements:**

- Pre-flight inspections must be completed
- Adhere to all FAA, TSA, and Port Authority of San Antonio guidelines
- Badge must always be worn when on ramp

### **Reports to / Supervises:**

Reports directly to the Chief pilot and Chief of Operations

### **Fiscal Responsibility:**

Properly account for students training records you are training, to include academic and accounting invoices.
